

GABRIELLE SEGAL

Art Concierge

Bridging the gap between art and wealth planning.

Gabrielle Segal is an NYC - based art consultant and appraiser partnering with clients and their financial advisors, wealth managers, bankers, accountants, attorneys, and family offices to strategically integrate fine art, jewelry, and other passion assets into their financial planning.

ANALYZE

COLLECTION BALANCE SHEETS

Synthesizing collection information, documents, and invoices into an organized, actionable inventory--even if it means creating one from scratch.

APPRAISALS

Creating USPAP-compliant appraisals for insurance, gift and estate tax, art-backed loans, equitable distributions, prospective sales, etc.

CAPITALIZE

ART - BACKED LOANS

Generating fast liquidity to seize investment opportunities, pay expenses, and fund acquisitions while avoiding the tax triggers and transactional costs of selling an artwork.

CONSIGNMENT + LIQUIDATION

Soliciting proposals from dealers, auction-houses, and online platforms; negotiating best terms and handling the entire sales process on the clients' behalf.

PROTECT

RISK MANAGEMENT

Coordinating provenance, conservation, and scientific research for owned pieces and potential acquisitions for due diligence and protection purposes.

INSURANCE

Securing sophisticated and cost-effective financial protection designed for your client's precious assets.

INVEST

ART ADVISORY SERVICES

Whether you're making your first art investment or deepening an existing collection, I leverage my connections and broad art market knowledge to cut through the noise and find pieces that fit your taste, budget, and investment goals. I negotiate terms and manage logistics on your behalf to ensure the art-buying process remain as enjoyable and enriching as possible.

Services tailored to client needs.

Commission, project, and/or hourly arrangements.

Complimentary first consultation available in person or over Google Meet.
